Asset Financial Services (we, us, Asset Financial Services) is committed to protecting your privacy. It is critical that all users (you, your) of Asset Financial Services (www.assetfinancialservicesllc.payd.it) feel confident that their privacy is protected. Asset Financial Services will not sell, disseminate, disclose, trade, transmit, transfer, share, lease or rent any personally identifiable information to any third party not specifically authorized by you to receive your information except as we have disclosed to you in this Privacy Policy.

1. Information We Collect From You

When you visit Asset Financial Services, we may collect information from you. This information includes but is not limited to: IP Address, your Operating System, pages visited, total time spent on website or specific pages, links that are clicked, and your browser type and version.

2. Furnishers of User Data

In order for Asset Financial Services to function for a user (the customer), data must have been furnished to Asset Financial Services that contains certain user data. Asset Financial Services maintains data for banks, lenders, and debt purchasers (creditors). Data may be furnished directly by your creditor or by a third party collection company authorized by a creditor (Furnishers). Asset Financial Services does not own the data furnished to us. Asset Financial Services provides Furnishers the minimum type of data required for Asset Financial Services to function. The minimum data required for Asset Financial Services to function is: user's name, social security number, address, phone number, original creditor name, current creditor name, account number, reference number, and balance. Furnisher may maintain additional user data. Asset Financial Services has no control over what data Furnishers maintain within the Asset Financial Services framework and/or to what extent beyond the minimum data requirements Furnisher may maintain within the Asset Financial Services framework. Asset Financial Services makes no warranty or guarantee as to the accuracy of Furnisher's data.

In order for a visitor to use Asset Financial Services, they must first authenticate they are the correct person (the customer) to access the data by providing verification criteria, including but not limited to: the last four digits of their social security number along with either the phone number they were contacted at or by entering in the reference number the creditor provided. To utilize the online negotiation tools of Asset Financial Services, no additional information is required by the user.

When a user makes an offer within the creditor's guidelines or accepts a counter offer presented by Asset Financial Services on behalf of your creditor, the user will proceed to the payment portal. The user must provide additional information at the payment portal, as is standard in all payment portals. The data you provide will be collected to process your payment. This information may include, but is not limited to: your name, address, email address, phone number, form of payment and information required to process the payment such as: a bank account number and routing number or credit card number, expiration date and SEC code. In some cases, payment information is stored in Asset Financial Services's secure database in order to transmit the information to the creditor or collection company for processing. Such information will never be shared except with your creditor or the collection company and others necessary to complete a transaction. Asset Financial Services always keeps all data secure and private unless expressly authorized by you that it may share.

3. Use and Sharing of Data Collected

Asset Financial Services may disclose information we collect to non-affiliated third parties that are acting on our behalf, or as permitted or required by law. The information that is collected, used and shared is limited to purposes that intend to improve your experience with Asset Financial Services.
